Chin – Senior Full Stack JavaScript / Mobile Team Lead

Ho Chi Minh, Vietnam
github.com/chnirt
(Email + Phone)

Summary

Senior Full Stack JavaScript Developer with 6+ years of experience building scalable web and mobile applications. Strong expertise in React, React Native, Node.js, Next.js, and modern state management. Proven track record in leading mobile teams, architecting codebases, and delivering products to market across multiple industries (Fintech, HRTech, B2B SaaS, Job Marketplace). Skilled in CI/CD, cloud deployment, and cross-platform development, with a passion for clean architecture and mentoring junior developers.
